Unlike any other

VINYL DELUXE | COLLECTION

DESIGNED TO WITHSTAND THE TEST OF TIME.

A black dog, possibly a Weimaraner, is lying down on a dark, textured vinyl floor that mimics the appearance of wood. The dog is looking towards the camera. The floor has a prominent grain pattern. There are some orange geometric lines overlaid on the image: a triangle on the left side and a line on the right side, both pointing towards the dog.

VINYL DELUXE

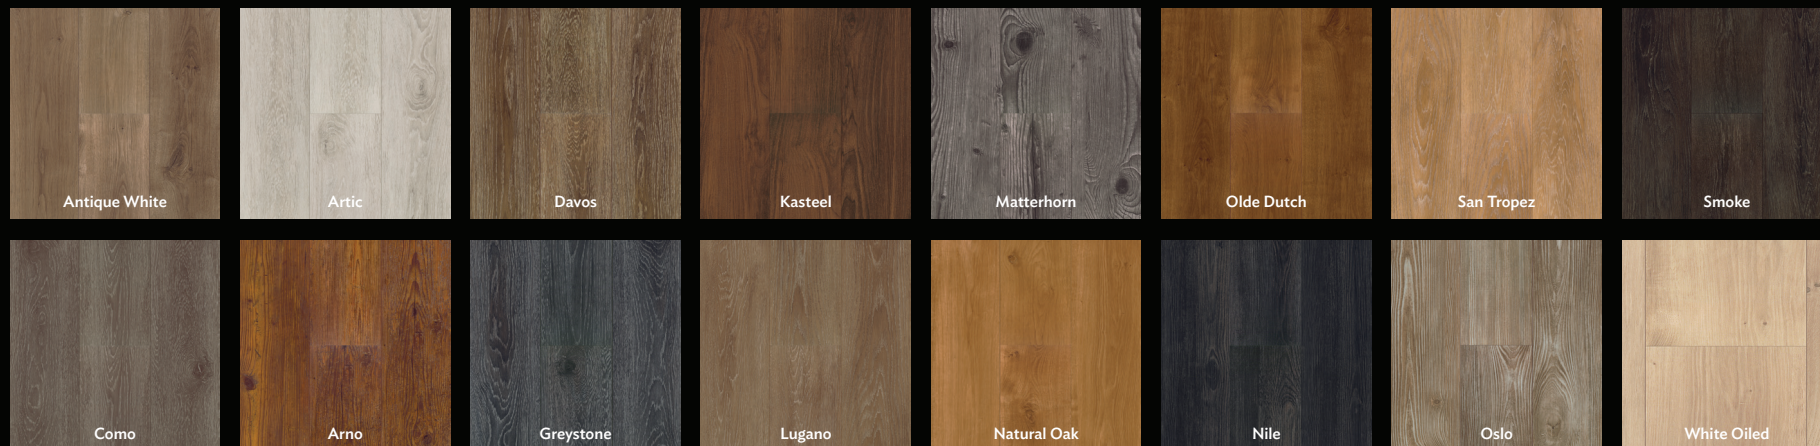

COLLECTION

It is not easy to choose a luxury flooring that is meant to offer welcomed relief and be strong enough to handle daily life in both commercial and residential spaces. With an uncommon textured elegance, DuChâteau® Vinyl DeLuxe® Collections bring a new level of warmth and resiliency to the world of vinyl.

REALISTIC WOOD SURFACE

We should never move so far away from nature that we forget our roots. DuChâteau Vinyl Collections feature realistic wood surfacing that bring that sense of nature indoors, while still meeting the needs of your design space. Don't just imagine the difference our floors make; see and feel the difference.

INSTALLATION

With DuChâteau Vinyl DeLuxe Classic and Click Collections, you always have a choice. Our Classic Collection provides commercial spaces the ability to use the standard glue-down installation method for heavy traffic, while residential and light commercial spaces can take advantage of our Click Collection's click-into-place system for glueless installation. It's that simple.
