SOLID OAK PLANK

Enjoy the fascinating properties and the longevity of real solid boards: a warm and vital room feeling and a high-quality ambiance.

Solid oak plank is 20 mm thick and is produced in widths of 137 mm, 162 mm and 187 mm. Choose between eight different surfaces; all of these have the expressive structure and rustic-casual charm of solid wood floors.

Our tip: create your own floor design and combine planks in various widths or finishes e.g. oak antique and oak historical.

Natural surface

BOEN Solid planks are finished with Live Natural Oil and dried in the air according to the traditional technique. This way, they are perfectly protected and the lively character of the wood is maintained.

The technique:

- Dimensions:
 - Board thickness: 20 mm
 - Width: 137, 162, 187 mm
 - Length: 800–2220 mm
 - Minimum 3 boards of whole length in each package
- Tongue and Groove
- All items have a circumferential micro bevel

STYLE

BE INSPIRED

We make it easy for you to find your own personal interior design style. You can find inspiration, information and design tips for our style worlds Pure Nordic, Modern Rustic, Classic Elegance and Urban Contrast in our main catalogue or on www.boen.com

**Oak Traditional**

The classic variant. Simple and rustic with filled knots.

› **Modern Rustic**

**Oak Traditional White**

This rustic plank contains a pale white pigment for a more subdued overall effect.

› **Pure Nordic**
› **Modern Rustic**

**Oak Stonewashed Old Grey**

The expressive grain of the oak boards is emphasised by oiling with a clear shade of colour. It is particularly striking due to the brushed surface.

› **Pure Nordic**
› **Modern Rustic**

**Oak Antique**

Thanks to the stained surface the board exudes the charm of naturally matured wood.

› **Modern Rustic**

**Oak Historical**

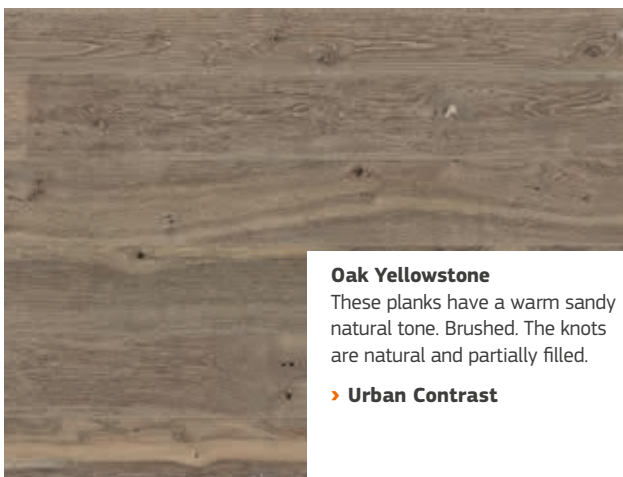

Knots are replaced by hand with irregular shaped knots and finished with an antique stain to give an old aged looking floor.

› **Modern Rustic**

**Oak Highland**

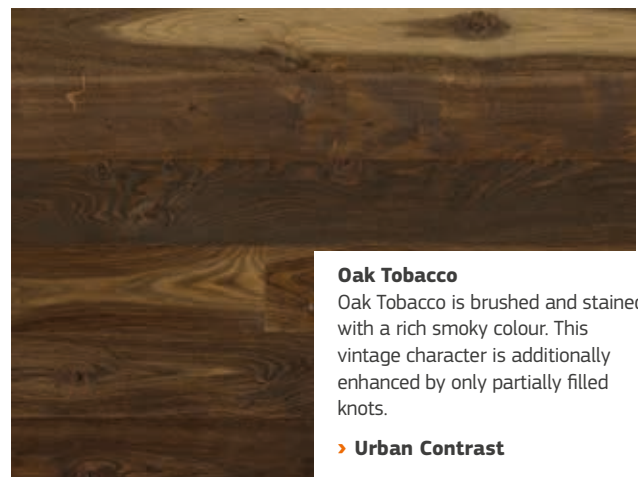

Partially filled knots lend this plank a naturally aged look. Its spectrum of colours ranges from light grey to sandy shades. Brushed.

› **Urban Contrast**

**Oak Yellowstone**

These planks have a warm sandy natural tone. Brushed. The knots are natural and partially filled.

› **Urban Contrast**

**Oak Tobacco**

Oak Tobacco is brushed and stained with a rich smoky colour. This vintage character is additionally enhanced by only partially filled knots.

› **Urban Contrast**
