Total freedom

First class luxury

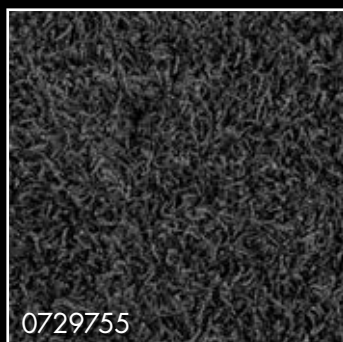

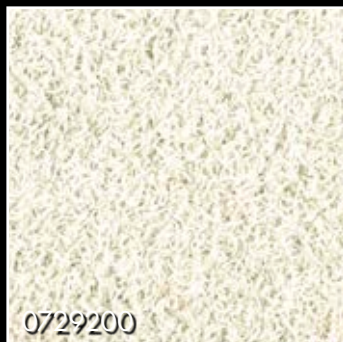

Soft Dreams Lux is an exclusive luxury rug with a dense, soft surface. An exquisite choice providing elegance and softness at the same time. Let yourself be spell-bound from the beautiful expression and the fantastic comfort Soft Dreams Lux brings into the home.

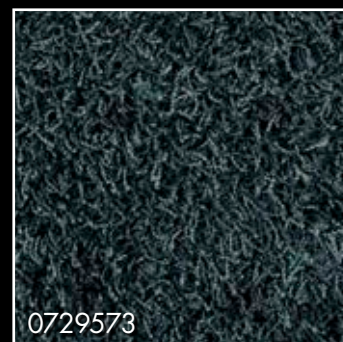

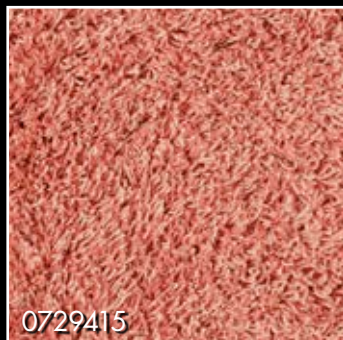

With ege's unique production technique the shape and size of the rug is adjusted to cover exactly your wish and need. Create a truly unique rug just by handing in a sketch with the outline of the rug. Anything is possible as long as an accurate dimension point along and across the outline is given.

The rugs from Soft Dreams Lux are produced in 100% polyamide. The dense pile construction has a unique shiny colour play contributing with a luxury expression.

Choose between 23 stylish, classic colours.

Design the carpet shape as you wish. Below are some examples for inspiration.
